

KIDZ KORNER
PARENT HANDBOOK ADDENDUM
Head Lice Policy

Change to Guidelines for the Management of Illness Section (page 6).

Effective July 12, 2010, our new policy is as follows:

If a child is found to have head lice (either eggs or live bugs), their parents will be notified to pick up the child from program, within 30 minutes of the call being placed. The child will be excluded from program for a minimum of 48 hours, during which time they will need to receive the appropriate treatment recommended by State Health Department. Prior to returning to program, the parent must call and make arrangements to bring in the child to be checked by the director to ensure they are lice free. Until clearance is given by the director, the child may not return to program. If a child is transported to program via the school bus without being given clearance by the director, drop off will be denied and the child will be returned to the school.

I, _____ the parent/guardian of _____ have read and understand the above addendum to the Kidz Korner Parent Handbook. I agree to comply with this change and understand that any violation will jeopardize my child's enrollment at Kidz Korner. I understand that this policy and those in the handbook are subject to change without notice.
